Monthly Rates for Accommodation

- These monthly rates are subject to annual increases. As of July 1, 2024, they are:
Basic: \$2,036.40 **Semi-Private:** \$2,455.24 **Private:** \$2,909.36
- The LTCH resident is required to pay the applicable accommodation charges for their length of stay.
- If the resident has a substitute decision-maker (SDM) for property who is legally authorized to make financial decisions on their behalf, the SDM must fulfill this obligation on behalf of the resident.
- LTCH residents in basic accommodation with income less than the cost of the maximum basic accommodation and comfort allowance may be eligible to receive a reduction in their co-payment amount. This is known as *rate reduction* and available only to residents in basic accommodation.
- I understand that if I want semi-private or private accommodations, there are no subsidies and/or rate reductions available.
- By signing this form, I confirm that I have been informed about the different costs for basic, semi-private and private accommodations in the LTCHs I chose.
- If my SDM for property is making financial decisions for me at this time, I confirm that I have consulted with my SDM and they are aware of and in agreement with the information above.

Applicant's Consent for Placement

- I consent that Ontario Health atHome, as the designated Placement Coordinator, can disclose my personal health information to the LTCH(s) of my choice.
- I acknowledge that I have been counselled about and understand the reasons why this information is needed. I understand that to support my LTCH placement, Ontario Health atHome will update and share this information with other health professionals involved in my care and the LTCH(s) I have chosen.
- I understand that I may withdraw my consent at any time.
