Accommodation Rates

Current Rates (July 1, 2024 – Subject to yearly increase)

Basic (\$2,036.40/Month) **Semi-Private** (\$2,455.24/Month) **Private** (\$2,909.36/Month)

LTCH residents who do not have sufficient income to pay the full co-payment rate (i.e. have income less than the maximum basic accommodation charge and the comfort allowance) may be eligible to have their co-payment amount reduced. This is known as **rate reduction** and is available only to residents in basic accommodation.

The LTCH resident is required to pay the applicable accommodation charges for the resident's length of stay at the LTCH. If the resident has a substitute decision-maker (SDM) for property who is legally authorized to make financial decisions on behalf of the resident, the SDM must fulfill this obligation on behalf of the resident.

- I understand that if I want semi-private or private accommodations, no subsidy and/or rate reduction is available.
