

Health Care Connect

How does Health Care Connect support your search for a family health care provider?

Health Care Connect helps people who are without a family health care provider to find one. Once you've joined Health Care Connect, a Home and Community Care Support Services nurse, called a Care Connector, will be assigned to help you find a health care provider in your area.

Care Connectors support your search

Our team of Care Connectors identifies doctors and nurse practitioners in your community who are accepting new patients and links them with people who are looking for a health care provider.

How to join the program

Registering for Health Care Connect is easy. When you call **1-800-445-1822** you will speak to someone who will ask you a short series of questions and sign you up for the program. You can also sign up online at ontario.ca/healthcareconnect

Health Care Connect gives priority to those most in need of a family health care provider

Priority is given to individuals with greater health needs. You will be referred to a family doctor or nurse practitioner in your community once one is found.
