LETTER OF UNDERSTANDING

(insert patient's name), your current care needs no longer require an acute hospital setting. The health care team has that your needs may be med within the services offered in a rehabilitative care program. These programs are regional programs, offered at multiple sites within Waterloo Wellington:

- ☐ General Rehabilitation
- ☐ Stroke Rehabilitation
- ☐ Low Intensity Rehabilitation
- ☐ Complex Medical Management
- ☐ Chronic Ventilator / Respiratory Program

Site	General Rehab	Stroke Rehab	Low Intensity Rehab	Complex Medical Management	Chronic Ventilator / Respiratory Program
Grand River Hospital - Freeport Health Centre in Kitchener	✓	✓	✓	✓	✓
St. Joseph's Health Centre in Guelph	✓	✓	✓	✓	

Referrals are coordinated by Home and Community Care Support Services Waterloo Wellington. Your health care team will be sharing your medical and personal information with Home Care WW and the rehabilitative care program. Home Care WW will add your name to the waiting list. Your initials and gender will be accessible to Home Care WW's other hospital partners.

You will be notified by your health care team when a bed becomes available for you. The first available bed may be located at any one of the locations listed above. The health care team will assist you to arrange the transfer to the Rehabilitation program.

I have reviewed and understand the above information. I agree to proceed with the rehabilitative care program referral process. I understand that my personal and health information will be shared with Home Care WW and the rehabilitative care sites within the region.
